4. Objectives and Detailed Activities

The following objectives and detailed activities are generated automatically from every approved departmental plan.

Code	Objective / Detailed Activity	Department	Measurement	Weight	Implementing Bodies
Operation - Annual Plan 2019 - Operation					
10	Improve infrastructure availability	Operation	percent	0.00%	Operation
10.1	Improve average Track Quality Index of the line	Operation	percent	0.00%	OCC
10.2	Keep OCS quality evaluation excellent rate	Operation	percent	0.00%	Operation
10.3	Improve maintenance window time	Operation	percent	0.00%	Operation
10.4	Improve maintenance time for emergency equipment failure to the standard	Operation	percent	0.00%	Operation
10.5	Conduct preventive maintenance and inspection of key line civil work infrastructure. (Regular maintenance of line, Static and Temporary Maintenance of Line, Line and Turnout Rail Detection)	Operation	percent	0.00%	Operation
10.6	Conduct preventive maintenance and inspection of bridge and culvert of civil work infrastructure.	Operation	percent	0.00%	Operation
12	Ensure 100% rolling stock availability	Operation	number	2.00%	Operation
12.1	Increase Freight Electric Locomotive availability	Operation	number	1.00%	Operation
12.2	Increase operational shunting diesel locomotives	Operation	number	1.00%	Operation
15	Ensure 100% rolling stock availability	Operation	number	1.40%	Operation
15.1	Increase Freight Electric Locomotive availability	Operation	number	1.00%	Operation

Code	Objective / Detailed Activity	Department	Measurement	Weight	Implementing Bodies
15.2	Improve locomotive fleet Utilization Rate	Operation	percent	0.40%	Operation
16	Develop research driven solutions to enhance operational efficiency and sustainability	Operation	number	0.50%	Operation
16.1	Conduct railway operational optimization studies	Operation	number	0.30%	Operation
16.2	Organize rail traffic club in schools and celebrate train week	Operation	number	0.20%	Operation
17	Conduct and complete purchase requests 90% on time	Operation	percent	0.70%	Operation
17.1	Establish framework agreements with preferred suppliers as demand	Operation	percent	0.30%	Operation
17.2	Complete purchase requests on the specified time schedule	Operation	percent	0.40%	Operation
18	Digitalize 100% of the company services and operational activities	Operation	percent	1.40%	Operation
18.1	Complete implementation of the Enterprise Resource Planning (ERP) system	Operation	percent	0.40%	Operation
18.2	Develop and implement Integrated Transport and Logistics Management System (ITLMS)	Operation	percent	1.00%	Operation
Security - Approved Objectives 2019 - Security
